Account No. 6589346

THANKS FOR YOUR letter of the 11th July. I think you will find my account and I shall be grateful if you would re-examine it and submit an account.

I would like to take this opportunity to ask if you could send me your latest catalogue and price list. I believe the price list catalogue I held at the moment are probably both considerably out of date and I will soon be placing another order with you. I thought that the list of household goods contained in your latest catalogue was somewhat limited and I particularly noted that you carry very few of the electric kettles on the market.

Also, I thought that much of the catalogue was out of date. The shelves are now full of brand new dishes which look ideal on any table. I trust that when I receive your new catalogue your stock has been considerably increased and I am sure that it will be continuously with the account by post will be obliterated by the new goods.

If the new catalogue is not yet in print, I will wait until the next few weeks. I will however, it would be helpful if you could send it to me as early as possible and I can then see what being levied on the new goods. I trust this can all be sorted out and I look forward to hearing from you.

Yours faithfully,  
Mrs. J. Smith
